Location: Mountain View School - Middle School Cafeteria

1. Introductions
2. Carey Goldenberg - Occupational Therapist - Presentation
Intro to Sensory Processing
Join us to learn about sensory processing. In this session, we'll learn about our 8 sensory systems and the many ways sensory differences present challenges and opportunities for learning, participating, and navigating our many environments. Our district occupational therapist, Carey Goldenberg is certified in sensory integration and has over two decades of experience supporting children and families with sensory differences.
3. Questions, Concerns, Networking - open only to parents/caregivers
4. Adjourn
