

## Assessment

- The **Assessment charm** is available if your district has purchased and enabled PowerSchool Assessment and/or PowerSchool Analytics.
- PowerSchool **Assessment** and PowerSchool **Analytics** provides standards-based instructional assessment solutions for school districts that allow administrators and teachers to deliver measurable improvements in student performance.
- The **links** described below provide direct access to functions within PowerSchool Assessment.
- PowerSchool **Assessment** and PowerSchool **Analytics** launches in a separate window or tab, depending on your browser settings.
  - **Manage Tests** - Access the Assessment Library.
  - **Administer Test** - Access the Testing Center.
  - **View Results** - Access Assessment Reporting.
  - **Assessment Home** - Access the Assessment Home Page.
  - **Manage** - Access Interventions.
- Additionally, the following links may appear on the Reports charm.
  - **View Results** – Access Assessment Reporting.
  - **Achievement Records** – Access Student Achievement Records.
  - **Longitudinal Data** – Access Longitudinal Data System Reporting (appears if PowerSchool Analytics is enabled).
