Class

- The **Class menu** is visible if the school has enabled PowerSchool Learning as the learning management system.
    - This menu allows you to **work with Learning directly** from PowerTeacher Pro.
- **My Portal** opens the Learning Portal page.
- **My Classes** opens the Learning Classes page.
- **Pages** opens Pages in Learning for the class you have selected in PowerTeacher Pro.
    - If you have **multiple classes selected** in PowerTeacher Pro, you may be asked to choose which class in Learning you want to open.
- **Calendar** opens the Calendar in Learning for the class you have selected in PowerTeacher Pro.
    - If you have **multiple classes selected** in PowerTeacher Pro, you may be promoted to choose which class in Learning you want to open.
