Enrollment for Preschool Students

REGISTRATION REQUIREMENTS

Welcome to the Easthampton Public Schools! It is our intent that your child has a successful transition to our school system. In order to enroll a student in the Easthampton Public Schools, you must complete the required enrollment forms, which are enclosed, and submit additional documents along with these forms. All enrollments are completed in person by the parent or legal guardian only. Children are welcome to attend but are not required.

According to Massachusetts law, only those students who are living in the City of Easthampton are eligible to attend the Easthampton Public Schools (unless accepted in the School of Choice Program). The Easthampton School Committee has developed a policy on residency which requires administration to develop a procedure for the verification of residency.

Please bring the following documents to your Registration Appointment:

- A certified copy of the child's Birth Certificate with raised seal (not the hospital record)
- Documents which establish residency and occupancy:

Residency Documents include: Record of mortgage payment or property bill; fully signed lease or rental agreement; landlord/owner of property affidavit; fully signed and executed Purchase and Sales Agreement; or Section 8 Agreement.

<u>Evidence of Occupancy</u> include: gas, oil, water or electric bill, or home phone (not cell) bill dated within the past 30 days.

- <u>Evidence of identification</u> include: photo ID, valid Massachusetts driver's license or photo ID card, valid passport, or other government issued photo ID.
- Health Record: Immunization records and proof of a recent physical exam (within the past 12 months) as required by State law.
- Current Individual Education Plan (IEP) or 504 documents, if applicable
- Massachusetts Transfer Slip (if enrolling from another MA district)
- Proof of physical custody, if applicable

To schedule an appointment, please contact: Nicole Pease at npease@epsd.us or 413-529-1500 x120

HOME LANGUAGE SURVEY

Massachusetts Department of Elementary and Secondary Education regulations require that all schools determine the language(s) spoken in each student's home in order to identify their specific language needs. This information is essential in order for schools to provide meaningful instruction for all students. If a language other than English is spoken in the home, the District is required to do further assessment of your child. Please help us meet this important requirement by answering the following questions. Thank you for your assistance.

MANDATORY HEALTH REQUIREMENTS FOR STUDENTS

Physicals

The Massachusetts Department of Public Health mandates that all schools have on file a current physical exam for all students dated within one year of entrance to school and then at intervals of every 3 years (or 4th, 7th and 10th grade). A student transferred from another school system shall be examined as an entering student. Health records transferred from the student's previous school may be used to determine compliance with this requirement.

Immunizations

Massachusetts Law M.G.L. ch 76 sec 15 states that children must be administered immunizations in accordance with the law in order to attend school.

The following immunizations are required for your child to attend school:

- DPT Four (4) doses for Pre-K or Five (5) doses for all other students
- Polio Three (3) doses for Pre-K or Four (4) doses for all other students
- HIB One to Three (1-3) doses (Pre-K only)
- Hep B Three (3) doses
- MMR One (1) dose for Pre-K or– Two (2) doses for all other students
- Varicella One (1) dose for Pre-K and Two (2) doses for all other students
- A Tetanus Booster (Tdap) is required for those students entering 7th grade or at least 12 years of age.
- Meningococcal Conjugate Vaccine. 1 dose for entry in Grade 7-9, and 1 Booster Dose for Grade 11 or 12.

Medical or Religious exemptions are required in writing and must be renewed each school year.

Please have your child's physician forward or fax a copy of the appropriate health records to the school nurse.

Mandatory Screenings

- Heights and Weights are done in grades 1, 4, 7 and 10
- Hearing Screenings are done in grades K-3, 7 and 9
- Vision Screenings are done in grades K-5, 7 and 9
- Postural Screenings are done in grades 5-9
- SBIRT (Screening, Brief Intervention, and Referral to Treatment) will be conducted once in 7 or 8 grade and once in 9 or 10 grade.

Letters will be sent home prior to screenings. You may choose to opt out of these screenings for your child.

Easthampton Public Schools Health Services Office of the District School Nurse

Dear Parent/Guardian.

Welcome to a new school year. I have included some health information for you to review, along with a health form to be completed and returned to the nurse's office.

Sending your child to school when they are ill may complicate their illness and puts other children and school staff at risk of also becoming ill. This information is given to help you make a decision about when to keep your child home from school.

Fever

Students with a temperature over 100 degrees Fahrenheit must remain home until they have been fever free (without the use of Tylenol or Ibuprofen) for 24 hours.

Diarrhea and Vomiting

With any occurrence of vomiting and/or diarrhea, please kept your child home for 24 hours.

Cold/Cough

Cough, sneezing, runny nose, body aches, fatigue, runny eyes that impede ability to participate in school.

Antibiotics

Any student on antibiotics for Strep Throat or Conjunctivitis (pink eye) must remain home until they have been on antibiotics for 24 hours.

Rash

Any rash that may be contagious (itchy, scaling, or pustule), please keep your child home and reach out to your child's primary care provider for further evaluation.

Call your doctor's office for advice if you are not sure about your child's condition or have questions about whether your child should stay home from school.

Your Child May Return To School When:

Fever is below 100 degrees for 24 hours without the use of medication (Tylenol or Ibuprofen). No Episodes of vomiting for 24 hours without the use of anti-emetic mediation. No episodes of diarrhea for 24 hours without the use of anti-diarrheal medication.

If your child presents with an illness during school hours, the nurse will evaluate your child and you may be notified that arrangements should be made for your child to be picked up from school.

Emergency numbers and health forms should be updated yearly and be on file for every student. Failure to complete and return the enclosed health form will result in the inability to administer any over the counter medications to your child. Please send in your child's most recent physical from their primary care provider.

Please feel free to reach out with any questions or concerns. Easthampton High School 413-529-1585 Mountain View Middle School 413-529-1530 Mountain View Elementary 413-529-1545
