

Student Assurance for Network and Internet Use & Parent

Permission for Publication of Student Photographs

When accessing District network or Internet services I will:

1. Use the Internet for legitimate educational purposes;
2. Send e-mail only at the direction of my Educator or media specialist;
3. Not register the name, home address, or telephone number of any person including myself in any location on the Internet;
4. Not attempt to download or save files to the computer hard drive or to a disk without Educator permission;
5. Not search for, download, or print any material that violates school handbook codes regarding possession or display of inappropriate, offensive, or vulgar material, or assist any other student in such activities;
6. Not use or attempt to use Telnet, internet Relay Chats or other interactive exchanges without Educator permission;
7. Not damage or alter computers, computer systems, or computer networks;
8. Not violate copyright laws;
9. Not trespass in another's folders, work or files.
10. Immediately report to my Educator any attempt to access, download, or print any material that violates school handbook codes regarding possession or display of inappropriate, offensive, or vulgar material.
11. Immediately report to my Educator any breach of network security or attempts to breach network security that I become aware of. This includes possession of passwords by unauthorized persons, attempts to install unauthorized hardware or software on the network, any attempt to circumvent established network security, or damage any computer or network component.

I understand that my participation in any violation of the Internet student assurances will result in disciplinary action and possible loss of access privileges to Internet, depending on the nature of the offense.
