
Maple School November 2018 Newsletter

Hello Maple Families,

We will be adding a monthly newsletter to our popular monthly calendar this year to provide important information for families. In addition, many of our teachers frequently utilize the Remind App for ongoing updates and our classroom teacher newsletters are full of current information to help you stay informed on the educational experience of your child. Our Maple Facebook page is used frequently to share events, classroom lessons and timely photos and our website is getting some much needed care and attention so families can access up to date information when necessary. Flyers are sent home in backpacks and emails are sent through PowerSchool on a regular basis. Open and effective home/school communication remains a top priority here at Maple. As always, please feel free to reach out to your child's teacher, Michelle our nurse, or Tracy and Judy in the office at any time. We are always here for you and your children.

Thank you to all who participated in our WE coat drive! Donated coats will be brought to Easthampton Community Center. Maple School is committed to having children enjoy outside play at recess whenever the weather allows. Stop by the Easthampton Community Center to pick up coats, hats, mittens and snow pants for your child this winter. Or, if you're cleaning out closets, donations can be dropped off there directly. We are quite fortunate to have this wonderful resource in our community.

National Educational Support Professionals Day is Wednesday, November 14, 2018. This important day provides us the opportunity to thank our support staff who play such a vital role in providing an exceptional educational experience for all of our students. Our par-educators, nurse, custodial staff, administrative assistant, food service staff and bus drivers work tirelessly and with unwavering dedication to ensure every student at Maple School is taken care of. Please join us in thanking them this month for all they do!

Student Absences and Excuses Regular and punctual school attendance is essential for success in school. We appreciate your support in having your child here and ready to learn by 8:45 daily.

Important Announcements

Delayed Openings – In the event of a one or two-hour delay, breakfast will not be served and there will be no AM preschool. Students may arrive at 9:30 or 10:30, depending on the length of the delay, and the school day will begin 15 minutes later. Morning recess will be outside, weather permitting.

Note from our Nurse – Cold and flu season is beginning and we'd like to remind families of our sick child policy. Children who have vomited or had a fever need to be symptom free without medication for 24 hours before returning to school.
