

Easthampton Public Schools
invites you to the
EHS Community Forum
in the EHS Library
Wednesday, February 13th
7:00-8:00pm

This is a rescheduled event that was snowed out on Tuesday, January 29th

Please join Easthampton High School Equity Steering Committee Members and Easthampton Public Schools Staff, Administration, and Families to discuss the recommendations made by the Committee to guide the school's Equity and Inclusion initiative.

This forum will be facilitated with the support of the Collaborative for Educational Services (CES) in Northampton, and we will discuss how we are prioritizing the recommendations, and how you can be involved in helping improve the EHS culture and climate.
