Director of Special Education: Sarah Mochak

To Whom It May Concern:

It is the responsibility of the Easthampton Public Schools to identify any child who is a resident of Easthampton who may have a disability, regardless of the severity of the disability. It is also the responsibility of Easthampton Public Schools to evaluate those students to determine if they are eligible for special education or related services under IDEA (Individuals with Disabilities Education Act) or 603 CMR 28 (Massachusetts Special Education Regulations).

The Easthampton School District is committed to identifying children before their third birthday in order to provide early intervention services for three and four year olds. If you have questions or concerns regarding your child's development and would like to have him/her screened, please contact Kristy Parzych at kparzych@epsd.us

If you suspect that your child, at any age, may need an evaluation to determine eligibility for special education services, you may request an evaluation, at no cost, at your child's school. Please visit our website at <http://www.epsd.us/specialeducation.html> to find the Parent Referral Form.

Sarah Mochak
