

## Tossing Sock Relay

### Materials:

1 sock ball for each pair of players

### Directions:

1. Players will pair up and stand 3 feet apart facing each other. Each player will underhand toss the sock ball once to each other.
2. If they do not drop the ball, they will each take one step back and repeat the process.
3. The game continues this way until there is only one pair left who has not dropped the sock ball. “Winner Winners...Chicken Dinners”

### Variation:

If you'd like, you could try this same game using a raw egg or a water balloon instead of a sock ball.
