

Water Bottle Trap

Materials:

- 1 Empty Water Bottle (or any bottle you can find)
- 1 Laundry Basket
- 1 Sock Ball or Tennis Ball
- 1 Timer
- 1 Sheet of paper and pen to record the scores
- 1 rope or tape to mark the line to roll from

Set Up:

Lean the edge of the laundry basket on top of the empty water bottle. Designate a rolling line 8-10 ft. away (the open side of the laundry basket should be facing you).

Directions:

- The objective is to see how many points you can score in 1-minute.
- Do this by rolling the sock/tennis ball at the water bottle.
- To score the ball must hit the water bottle first (the roll does not count if it misses the bottle and knocks over the basket – sorry!).
- Rolls that hit the water bottle first score as follows: **1 point** = basket falls and traps ball only, **2 points** = basket falls and traps water bottle only, **3 points** = basket falls and traps both ball and water bottle
- Write your total number of points on sheet of paper. Whoever has the most points wins the game!
